General Description:

The R-5501 bench is an elegant yet comfortable option for inside or outside office buildings, shopping centers, residential complexes, and more. Choose from a bolt-down mounting, or simply place indoors with no installation needed.

Crafted from solid balau wood slats and supported by a powder-coated steel frame, this versatile bench is designed to resist wear from weather, water, and rust. The backless style allows for the bench to be used facing either direction, an ideal option for parks, plazas, or corridor seating. Pair with the R-5001 waste bin for a cohesive, stylish aesthetic.

Specifications:
