

Peace Arch Bike Rack, R-8241

General Description:

The R-8241 Peace Arch bike rack features an arched design to add a touch of sophistication to any environment. The American-made, carbon steel structure offers optimal stability with a 2-point contact system, comes coated with thermoplastic, and is easy to install using the bolt-down flanges.

Specifications:

Height: 33 3/4"

Cross Span: 29"

Weight: 23 lbs

Material: Steel

Finish Options:

- Thermoplastic Powdercoated

See Reliance Foundry's standard color options at <https://www.reliance-foundry.com/bike-parking/commercial-bike-racks>

Notes:

- Bike rack is provided as shown with parts listed below. Concrete foundation and/or installation not provided by Reliance Foundry.
- This drawing is not drawn to scale. Dimensions provided herein are for reference only. Please consult Reliance Foundry sales professionals if any dimension is critical to your particular installation.
- Reliance Foundry reserves the right to amend design and specifications without prior notice for product improvement.
