

Bollard, Model R-8400

General Description:

The R-8400 Steel Bollard can be embedded in concrete for simple and secure installations. Its clean and versatile design is highly visible and available with alternative mountings (see retractable and removable models) for consistent aesthetics that suit any modern building or landscape. High-quality steel with polyester powder coat offers high resistance to corrosion and weathering. Posts ship standard with 1 of 4 colored reflector stripes.
